Highlights

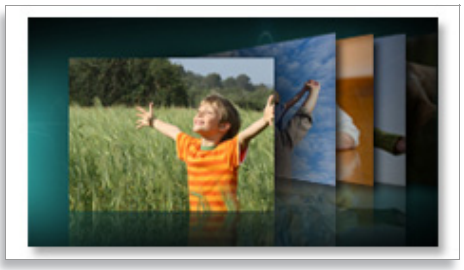
Preloaded relaxation music

Relax or fall asleep to peaceful sounds. The Philips Clock radio is preloaded with a number of relaxation music pieces. Simply choose from rain showers, ocean waves, spa music and more, to enjoy in relaxed comfort.

3.5" display

The 3.5" color high resolution color screen enables easy readability of the content on the screen. Now you can read the time, date and information of the radio stations easily. You can also display your favor photo as the background image.

Play photos and slideshows



Store your favorite photos on an SD card and play them in slideshow on your Philips Clock radio. Thanks to the complete file transferability, you can easily enjoy the convenience and fun of showing digital photos via the SD card slot. Simply insert your memory card on your Philips Clock radio, your digital photos will be played directly on the device. Now you can relive your favorite moments with family and friends anytime you want!
